► Aqualand reserves the right to add additional charges for mileage outside the Bowling Green area and/or multiple trips and/or excessive cleaning. Any damaged or missing equipment necessary for the closing of the pool will be provided by Aqualand at the discretion of our service technicians. Pool must be cleared of excess debris before service is performed. Additional charges will apply if heavy debris must be removed by our techs. Solid covers can fall back into pool during off season by forces beyond our control. Aqualand is not responsible for such instances. This closing agreement covers installation of one cover only. Additional charges may be assessed for return visits.
